

Second Annual “Something Beautiful” Craft Fair Seeks Vendors, Artists & Artisans

[LIBERTY TOWNSHIP, Ohio ~ September 21, 2009] The second annual “Something Beautiful” Craft Fair at Mother Teresa Catholic Elementary School (MTCES) is looking for artists, artisans and vendors for the event, to be held the first weekend in November at the school.

Friday, November 6th starts the holiday shopping season, with offerings that can help fairgoers prepare for both Thanksgiving and Christmas. The craft fair will have special Friday night offerings, including on-site childcare. Saturday’s hours will coincide with the CYO Girls’ basketball tournaments being held in the school’s student center. “We want our merchants and shoppers to have the best opportunities and experience we can offer,” explained Amanda Ocariz, MTCES eighth grade teacher and craft fair chair. “So, we moved the fair to the tournament weekend, and are offering free admission to attendees.”

Additional incentives for both shoppers and merchants are forthcoming; artisans, artists and vendors can book space with a \$75 refundable deposit. Contact Kit Okray at 513-779-6585 or by email at kokray@mtces.org for more information.

Mother Teresa Elementary School, an independent Catholic school serving families of kindergarten through eighth grade children, is located at 6085 Jackie Drive in Liberty Township.
