

**Twelfth MTCES Golf Outing
Set for Friday, September 24, 2010
at Beckett Ridge Country Club, West Chester**

[LIBERTY TOWNSHIP, Ohio ~ July 30, 2010] A great Spring tradition moves to Fall this year, as the Twelfth MTCES Golf Scramble, the second one in a calendar year, is held on Friday, September 24th at the Beckett Ridge Country Club in West Chester, and benefits Mother Teresa Catholic Elementary School.

“We found that many golfers wanted a fall option,” explained Chris Roth, MTCES Parent and Golf Outing Co-Chair, “one last opportunity to hit the links before the temperatures cool down.” The warm summer months weren’t always the most comfortable for golfing, but early fall looks to be great golf weather. “This MTCES tradition will now be a fall one, this is our twelfth golf event, but our second in sixth months,” explained Doug Edwards, MTCES Parent and Golf Outing Co-Chair. “We hope people will support our school, and have fun on the links with MTCES twice this year.”

Individual tickets for the spring event are available at \$125 a person, with foursomes at \$500. Reservations are now being taken, and sponsorship opportunities are still available; contact Noel Balster at 513-779-6585 for more information.

Registration begins at 11:30 a.m., with a 1 p.m. shotgun start. A silent auction featuring great sports memorabilia from Advanced Sports Marketing commences following play, and the afternoon ends with the prize raffle drawing.

Mother Teresa Elementary School, an independent Catholic school serving families of kindergarten through eighth grade children, is located at 7197 Mother Teresa Lane in Liberty Township.
