Mother Teresa Scrapbooking Event – Open to the Public! *Beat the Winter Blues & Get Your Creative Juices Flowing*

Liberty Township, OH (February 3, 2011) - On February 19, 2011 Mother Teresa Catholic Elementary School (MTCES) will host its first ever scrapbooking event, *Croptopia*, in its Sister Anne Schulz Student Center. *Croptopia* is open to the general public and welcomes all novice and expert scrapbookers. (Participants do not have to have children enrolled at the school.) Proceeds from this event will support the school's operating expenses, including technology upgrades and supply purchases.

More information on *Croptopia* and registration forms are available at www.mtces.org. The \$45/person fee includes 19 hours of scrapbooking fun (come and go as you please from 8:00 a.m. Saturday to 3:00 a.m. Sunday), 6' of table space, dinner, a goodie bag and raffle ticket, and a guaranteed great time away from life's daily stresses. *Croptopia* also gives participants the opportunity to enroll in beginner and expert level scrapbooking and stamping classes.

Event Co-Chair and school parent, Cheryl Vandewater, hopes to raise much needed school funding while "giving scrapbookers of all levels a casual relaxing environment to get their creative juices flowing. Many of us simply need a mom's time out or new way to beat the winter blues."

For more information, or if you have any questions, you can contact Noel Balster at 513-779-6585 or reach her via email at nbalster@mtces.org.
