Admissions Policy 2026-2027

Mother Teresa Catholic Elementary School is a private, Catholic elementary school supported by tuition and donations. The school strongly supports the parish concept and the importance of a family's commitment to its parish. The school also keeps an active, open and ongoing relationship with the area parishes to foster and nurture the identity of the Catholic parish.

Students will be admitted in the following order. If classes are filled per criteria below, a lottery will be used to fill openings at that level.

1. Current students whose registration is complete, tuition payments are current, and whose family is in compliance with the Family Volunteer Service Contract.
2. Siblings of present students whose families meet criteria 1.
3. New students whose parent, family member, or guardian are faculty/staff or currently serving on the Board of Trustees, or who have served as a Board member in the past, as confirmed by the Secretary of the Board.
4. New students whose immediate family member (sibling or parent) is an alumni of the school.
5. Children who have stayed on the waiting list for the prior school year, have applied for the current school year, and still qualify for categories 5 through 7 in the admission policy. The waiting list will not be redrawn and the order carries over from the prior year.
6. New students whose parents, family members, or guardians have demonstrated significant volunteerism and or stewardship and are active members of a Catholic parish as determined by the board – See Family Volunteerism Section below.
7. New students who are Catholic.
8. Remaining positions will be filled by lottery.
9. Applicants submitted after the registration period will be admitted on a rolling basis.

Sibling status is defined as a new incoming student who is a sibling of a currently enrolled MTCES student. Sibling status is granted only to families who enroll a sibling during the priority enrollment period and do not withdraw the older child at a later time. Those who are unable to gain admittance may wish to remain on a waiting list. The order of those placed on the waiting list will also be determined by lottery. Registrations not received by the deadline will be placed on the waiting list in the order they are received.

Kindergarten students must be five years of age on or before September 30 and participate in a kindergarten readiness screening, which will take place in May 2026. **Kindergarten students' acceptance is pending based on the results of the kindergarten readiness screening.**

Transfer students in grades 1-4 will be admitted after the application is complete and records from the previous educational institution are reviewed.

In grades 5-8, acceptance is based on a review of records from the previous educational institution(s), and a review of the recommendation from the previous educational institution(s). All transfer students entering MTCES will be admitted under a trial period which lasts a minimum of one trimester and will be reviewed periodically following these guidelines for full admission.

- The student will uphold the student code of conduct.
- The student consistently turns work in on time and fulfills all academic requirements.
- The student maintains acceptable grades and demonstrates progress in academic studies.

The above requirements will be reviewed with the student and parent(s) before acceptance is granted.
